4. FINANCIAL INSTRUMENTS

4.1 Under its CIF license the Company may offer the above services in relation to certain financial instruments, which have the meaning given to them in the Investment Services and Regulated Market Law of 2017 (Law number: 87(I)/2017), and includes:

- A. Transferable securities;
- B. Money-market instruments;
- C. Units in collective investment undertakings;
- D. Options, futures, swaps, forward rate agreements and any other derivative contracts relating to securities, currencies, interest rates or yields, or other derivatives instruments, financial indices or financial measures which may be settled physically or in cash;
- E. Options, futures, swaps, forward rate agreements and any other derivative contracts relating to commodities that must be settled in cash or may be settled in cash at the option of one of the parties (otherwise than by reason of a default or other termination event);
- F. Options, futures, swaps, and other derivative contract relating to commodities that can be physically settled provided that they are traded on a regulated market and/or an MTF;
- G. Options, futures, swaps, forwards and any other derivative contracts relating to commodities, that can be physically settled not otherwise mentioned in point (f) above and not being for commercial purposes, which have the characteristics of other derivative financial instruments, having regard to whether, inter alia, they are cleared and settled through recognized clearing houses or are subject to regular margin calls;
- H. Derivative instruments for the transfer of credit risk;
- I. Financial contracts for differences (for differences in relation to MiFID instruments, currencies, interest rates or other financial indices);
- J. Options, futures, swaps, forward rate agreements and any other derivative contracts relating to climatic variables, freight rates, emission allowances or inflation rates or other official economic statistics that must be settled in cash or may be settled in cash at the option of one of the parties (otherwise that by reason of a default or other termination event), as well as any other derivative contracts relating to assess, rights, obligations, indices and measures not otherwise mentioned in this Section, which have the characteristics of other derivative financial instruments, having regard to whether, inter alia, they are cleared and settled through recognized clearing houses or are subject to regular margin calls.

5. COMPLEX FINANCIAL INSTRUMENTS

The following shall be considered as complex financial instruments for the purposes of the Assessment of Appropriateness of the Company:

- A. The transferable securities where these give the right to acquire or sell any other transferable securities or giving rise to a cash settlement determined by reference to securities, currencies, interest rates or yields, commodities or other indices or measures
- B. Options, futures, swaps, forward rate agreements and any other derivative contracts relating to securities, currencies, interest rates or yields, or other derivatives instruments, financial indices or financial measures which may be settled physically or in cash
